ANSWER THE CALL OF DUTY
GIVE THE GIFT OF HEALTH
GIVE \$5 – TAG 5 FRIENDS

Team Captains,

The Medic Now Foundation (MNF) as part of their “Give the Gift of Health Campaign” is announcing a social media challenge, 30 days prior to Veterans Day, starting on **October 13, 2019**.

MNF is a nationally recognized 501(c)3 public charity that is committed to delivering out-of-pocket healthcare stipends to our veterans and military families in need. ***We rely on donors like you to enlist with MNF to provide financial help to our veterans burdened by healthcare costs.***

WHAT IS THE #HONOR55 CHALLENGE?

#HONOR55 is a fun and easy way to Challenge 5 of your friends on social media to donate a minimum of \$5 in support of MNF’s mission to give the gift of health to our veterans and military families in need.

This chain reaction can only start after you have made your \$5 donation on the **GIVE THE GIFT OF HEALTH** link, <https://give.classy.org/MNFUSA>.

After you have made your donation of \$5, **TAG 5 of your friends** on their personal social media accounts with a **photo or video of yourself** holding up the **#HONOR55 Card [PDF template attached and downloads available at medicnowfoundation.org on our event info page.]** challenging them to match or better your gift within **24 hours** before they move forward with tagging 5 of their friends.

Please include the following link and hashtags on all posts:
