PLYMOUTH, MA – On October 25, 2025, something extraordinary is coming to America's Hometown. **HBO's The Sopranos star Frank Santorelli**, the **American Bombshells**, **Nine Line Apparel**, **CabbyShack | Salt of the Earth Catering**, and the **Medic Now Foundation Inc.** are joining forces to create the perfect storm of support for our military community, a once a year convergence of entertainment and purpose that blends Hollywood talent, Broadway level performance, veteran owned entrepreneurship, and local culinary excellence, all under one mission, to break barriers in military healthcare and honor those who have served.

A NIGHT THAT BEGINS WITH TRIBUTE AND BUILDS TO CELEBRATION

The evening opens at 5:00 PM with the [Ride of Valor Rally](#), a moving motorcycle procession led by the [Plymouth Area Veterans Center](#) and [Volunteers of America Massachusetts](#). Riders from across New England will roar into Plymouth Memorial Hall in a powerful salute to Gold Star Families and the military medics who answered the call to save lives.

By 5:30 PM, the doors open for the VIP Reception, where Table Captains and Sponsors will enjoy a private pre-show celebration, meet and greets with the evening's stars, and gourmet fare crafted by [CabbyShack | Salt of the Earth Catering](#).

At 7:30 PM, the tone shifts to reverence with the Salute to Service Tribute, highlighted by the presentation of the [Carmine A. Casciano Salute to Service Award](#), honoring a veteran or service member who has embodied selfless service and leadership in Massachusetts.

FROM COMEDY TO PATRIOTIC SPLENDOR

At 8:00 PM, the stage lights up with the sharp humor of Frank Santorelli, forever known to fans as Georgie the Bartender on [HBO's The Sopranos Star Frank Santorelli](#). Santorelli's comedic style, honed on stages across the country, brings laughter and levity to a night built on gratitude.

Immediately following, the spotlight belongs to the [American Bombshells](#), a dazzling patriotic vocal trio who have toured nationally and internationally in USO style morale shows, appeared on major television programs including Fox & Friends and The Today Show, and brought cheers to troops stationed around the globe. Their All-American Freedom Concert will fill the hall with soaring patriotic anthems and timeless classics, leaving the audience inspired and energized.

MORE THAN ENTERTAINMENT, A MISSION WITH IMPACT

The Salute to Service Celebration, All American Freedom Concert is not just a night out, it's a powerful fundraiser for the [Medic Now Foundation Inc.](#), a nonprofit dedicated to eliminating out of pocket healthcare expenses for veterans, active-duty service members, and their families.

"This night is about more than music and comedy," said Michael P. Duggan, President & Founder of the Medic Now Foundation. "It's about coming together as a community to honor sacrifice, celebrate freedom, and break barriers in military healthcare."
